13th Annual Peace at Home Dance & Vocals Performance
Saturday, March 2, 2024
at 5:30pm

Seven Feathers Casino Resort

This event is formally the Battered Person's Advocacy Dance Competition

Each year, Peace at Home Advocacy Center supports over 1,200 survivors. We are excited that you are considering being part of our team to support, empower and educate survivors and the community about the impacts of family violence, sexual assault, stalking and human trafficking. Our first Gala was in 2012 and over the years this event has evolved, reaching thousands of guests and performers with connection to the critical work of Peace at Home. This year, we will showcase dance and vocal performances by local people of all ages who are dedicated to empowering others and celebrating our collective strength, confidence, and resilience. Our goal is to make this event accessible to our community. Our guests will have the choice to attend the Pre-show at Umpqua Community College and/or the Dinner & Show at Seven Feathers Casino Resort. By sponsoring this event you can bring vital resources to survivors as we raise our fundraising goal of \$70,000.

We would like to be part of the Peace at Home EMPOWER Performance by becoming an Event Sponsor
