

Event Sponsorship

14th Annual Peace at Home
Dance & Vocals Performance
Saturday, March 1, 2025 at 5:30pm
Seven Feathers Casino Resort

Our Fundraising Goal is \$70,000

Each year, Peace at Home Advocacy Center supports over 1,200 survivors seeking services and safety. We are excited that you are interested in being part of our event to empower and educate survivors and the community about the impacts of family violence, sexual assault, stalking, and human trafficking.

Our first event in 2012, formally the BPA Dance Competition has grown and evolved, reaching thousands of guests and performers with connection to the critical work of Peace at Home.

Our goal is to make this event accessible to the community. Our guests have the choice to attend the Pre-Show or the EMPOWER Event. We showcase dance and vocal performances by local people of all experience levels. These volunteers are dedicated to empowering others and celebrating our collective strength, confidence and resilience.

The EMPOWER Event will be held on Saturday, March 1, 2025, at Seven Feathers Casino Resort.

Who are we?

Peace at Home Advocacy Center is a community-based private non-profit agency serving Douglas County since 1978. Peace at Home focuses exclusively on providing comprehensive services to survivors of family violence, sexual assault, dating violence, stalking, and human trafficking. The organization is the only victim services agency in the county that provides crisis intervention services through a 24-hour Hotline, supported by certified advocates.

To meet the needs of our community we have six teams with trained volunteer and paid advocates.

1. **Emergency Services.** 24/7 Crisis Line, safety planning, peer counseling, resources and referrals, and urgent transportation.
2. **Sexual Assault Response Services.** Support during the forensic medical exam, law enforcement interview, and resources.
3. **Legal Advocacy.** Assistance filing protective orders and support during the court hearing.
4. **Shelter Services.** Short-term shelter units, pet friendly, clothing and food assistance, peer support, and transportation.
5. **Transitional Housing.** Affordable housing units.
6. **Community Outreach & Education.** This team of advocates provides training and consultation for providers. Education for all ages in the community and hosts events.

2025 Goals

Sponsorships will support our work. Every dollar raised can be matched with grants.

1. Expanding sexual assault response services.
2. Building youth housing for ages 18-24.
3. Future planning of a childcare center for survivors.
4. Designing a safe bus stop for children in shelter.
